**\*\*\* License Agreement \*\*\***

This Software License Agreement (hereinafter referred to as "Agreement") is a legal Agreement between you (hereinafter referred to as "User", or "You"), and rhd instruments GmbH & Co. KG (hereinafter referred to as "Distributor") and Jens Wallauer (hereinafter referred to as "Author") for the computer program entitled "RelaxIS - Impedance Spectrum Analysis" including any enclosed documentation and/or accompanying items (hereinafter referred to as "Software"). This Agreement states the terms and conditions upon which Distributer offers to license the Software.

This Agreement is binding upon User as well as anyone taking any action with regard to User's copy of the Software at User's direction or not. This applies to any third party as well.

You should carefully read the following terms and conditions before using this Software. Your use of this Software indicates your acceptance of this License Agreement and warranty.

§1.

User agrees to only use the Software for its intended purpose of evaluating and analysing impedance spectra. Solely the User is responsible for the interpretation of any data that has been retrieved from any functionality provided by the Software.

§2.

Commercial use is allowed. Under no circumstances shall You, the end-user, be permitted, allowed or authorised to commercially exploit the Software, or any portion thereof. Neither User, anyone at User's direction nor any third party shall take the following actions with regard to the Software, or any portion thereof to sell, rent, lend, lease or commercially exploit the Software. Commercial exploitation is defined to be the use of the Software for providing services for monetary gain. Any distribution is prohibited. Under no circumstances shall You, the end-user, be permitted, allowed or authorised to distribute the Software, or any portion thereof.

§3.

User agrees that Distributer protects the Software by means of a hardware USB device (hereinafter referred to as "Dongle"). Circumventing the use of the Dongle or altering its function by means of modifying the Dongle, emulating the function of the Dongle or any other ways is prohibited.

§4.

User agrees to not modify, disassemble or reuse any part of the Software without explicit permission by the copyright holder.

§5.

To the maximum extent permitted by applicable law, in no event will Author or Distributer be liable for any damages, whatsoever, whether direct, indirect, special, incidental, or consequential damages, whether arising under contract, tort (including negligence), strict liability, breach of warranty, misrepresentation, or otherwise, including without limitation, damages for loss of business profits,

business interruption, loss of business information, or other pecuniary loss, arising out of the use of or inability to use the software, or arising out of this agreement, even if Author and/or Distributer has been advised of the possibility of such damages.

§6.

Distributer and Author reserves the right to update the contents of the Software and its associated files, documentation, licence terms and/or other elements, at their discretion from time to time, without the consent of or any obligation to, any licensed users or distributors.

§7.

Distributer warrants that if properly installed and operated the Software will perform substantially in accordance with the accompanying documentation for a period of thirty (30) days from the date of purchase of the Software.

However, due to the inherently complex nature of computer software, Author and Distributer do not warrant that the Software or the documentation is error free, will operate without interruptions, be compatible with all equipment and software configurations, or will otherwise meet your needs. You are advised to verify your work and make backup copies.

Accordingly, the Software is provided "AS-IS" in the current version at the time of the purchase of the Software. No warranties of any kind, express or implied, warranties of the merchantability or fitness for any purpose with respect to the Software are made as to it or any medium it may be on.

Your sole remedy and Author's and Distributer's entire liability will be at Distributers's discretion, either repair or replacement of the Software, or return of the price paid. If a return is accepted, You will need to return the original copies of the Software and the accompanying items (including all written materials, if any) along with proof of purchase and any backup copies.

§8.

This Agreement constitutes the entire Agreement between You, the end-user, Author and Distributer and supersedes any prior written or oral agreement concerning the Software. Author and Distributer are not bound by any action, statements, or any provisions made by anyone. No modification or change in this Agreement shall be valid or binding upon Author or Distributer unless in writing.
